

Forest County Zoning Ordinance

Forest County Zoning status

Hiles, Argonne, Crandon, and Wabeno are zoned completely through the County and have been so zoned as of August 1999.

Since 1987 Alvin, Armstrong Creek, Blackwell, Caswell, Freedom, Laona, Popple River and Ross have been unzoned, except for areas where the shoreland ordinance is administered by the county. Those areas encompass lands 1000 feet from any body of water and 300 feet from any river and all floodplains.

The Towns of Lincoln and Nashville administer their own zoning ordinance, except for the shoreland areas described above, where double jurisdiction exists.
